Tampa Ronald McDonald House
Renovation Campaign

The Campaign

We need your help. The Tampa Ronald McDonald House, built 19 years ago, needs a renovation. After caring for 5,984 families, this well-used and much-loved house needs a makeover!

In order to purchase new furniture, drapes, carpet, cabinets and updates for all of the bedrooms and common areas of the House, we are kicking off a \$250,000 campaign.

Each year, 100 volunteers welcome more than 300 pediatric families to this House, while 350 home-made meals are lovingly prepared by friends in the community. Families cherish having a quiet place to call their home-away-from-home close to their child's bedside, gathering strength in the privacy of their bedroom to deal with the anxieties of their child's illness. They deserve to have the best that we can offer.

Tampa RMH on Davis Islands

When you change a child's life, you change their family, their community and ultimately the world.

A picture is worth a thousand words

In 2010, Blake Casper & CSC, a division of Caspers Company, generously donated a brand new kitchen to the Tampa House. From new cabinets to countertops, sinks and appliances, this gathering place for families is an example of how an important gift is put to good use. Now it is time to ask our friends and community to assist us with launching our next renovation phase.
